AUDIT MANAGER

CPA with 16 years of experience planning and managing internal and external corporate audits. Brings to the table a record of repeated achievement for expertly analyzing business processes, procedures, and activities to identify organizational issues, reduce risks, establish controls, and recover lost funds. Formulates solutions using methodologies to measure operational efficiencies, financial integrity, reporting capabilities and asset safeguarding in alignment with SOX compliance.

PROFESSIONAL EXPERIENCE

BENSON & TURNER | **Senior Audit Manager** - Jackson, WY 2012 – Present

- Plan and develop audit scope, objectives, and programs using risk- and control-based auditing techniques, along with walkthroughs and review of clients' operating and accounting procedures.
- Work with management teams in alignment with GAAS and GAAP and accounting standards.
- Assess internal control procedures specific to business and support areas.
- Conclude and propose recommendations for improvement in processes and system controls.
- Review transactions, documents, records, and methods for accuracy and effectiveness.
- Develop risk assessments for critical business processes.

JENSON CONSULTANTS | **Audit Manager** - Jackson, WY 2006 – 2012

- Prepared audit plans and assigned team members to numerous audit engagements.
- Supervised, reviewed, and developed audit team members.
- Reviewed reports, opinions, management letters and tax returns.
- Prepared presentations and reports on audit examinations, conclusions, and recommendations.
- Conducted post-audit follow-ups to measure outcome of corrective actions taken.

BLUEPOINT PARTNERS | **Assistant Audit Manager** - Cheyenne, WY 2004 – 2006

- Trained, supervised, mentored and evaluated an audit engagement staff on external audits.
- Held staff accountable for project deliverables that meet the highest standards in client service.
- Worked directly with partners and audit team as a key member of the management team.
- Worked with area managers to facilitate the strategic deployment of audit team.
