PROFESSIONAL EXPERIENCE

VISTA CARGO, Ltd., Bristol, CT

2009 - Present

General Manager

- Manage a department of 20 staff across Shipping & Receiving, Production, Assembly, Pickers and Packers.
- Reduce costs and equipment functionality in a multi-shift manufacturing environment.
- Monitor production equipment operations, ensuring integrity of production, packaging and distribution operations while maintaining productivity levels.
- Interview, hire, train, and dismiss personnel; perform evaluations and decide on salary increases and promotions; and ensure OSHA compliance through monthly training and certification meetings.
- Research and negotiate trucking/carrier bid contracts based on costs and point-to-point destination procedures resulting in a 45% cost reduction.
- Audit and track inventory controls to ensure materials availability and to prevent overstocking.
- Report incidents of damaged product for senior management review to support decisioning.

SPORT PIECES, Jersey City, NJ

2003 - 2009

General Manager

- Streamlined processes and procedures for a leading importer of sports memorabilia to drive product distribution from multiple overseas vendors.
- Ensured high standards in service levels consistently met internal/external customer expectations.
- Served as escalation point for team to resolve critical service issues.
- Built a team through planning and behavioral interviewing and stringent hiring and training practices.
- Integrated a sense of friendly competition using exciting employee incentives.
